Daily 2-Mark Practice Questions for Skill Enhancement in PRIMARY school children

To enhance students' writing skills, answer presentation, memory retention, and overall academic performance, a structured daily activity is introduced for all classes. As part of this initiative, students will practice two 2-mark questions every day based on the subject scheduled:

- Monday - Telugu • Tuesday - English • Wednesday - Mathematics • Thursday - EVS

Guidelines for Implementation:

- Advance Declaration: Subject teachers must announce the 2-mark questions at least one day in advance to allow students to prepare mentally and organize their study.
- Scheduled Practice Time: Teachers will assign a specific, suitable time during the school day to conduct this writing activity.
- Timely Corrections: All responses must be evaluated and returned by the next day, ensuring timely feedback and learning.
- Objective: This activity aims to:
 - Improve handwriting and presentation skills
 - Develop answerative skills (how to effectively structure and express answers)
 - Enhance memorization and understanding
 - Support better performance in periodic assessments

This initiative encourages consistency, discipline, and academic growth among students through daily subject-based writing practice.

Enrollment Drive - Nenu Badikipota

Introduction:

As per the Right to Education (RTE Act) norms, the Government of Andhra Pradesh has proposed a special enrollment campaign to conduct a Door-to-Door Survey for identifying school-age children. This drive aims to reduce dropout rates and ensure all children are enrolled in schools by creating awareness about the importance of education, along with the facilities, benefits, and schemes provided for students. The programmes will be conducted from the school reopening day for one month.

Objectives:

- To ensure 100% enrollment of all eligible children in schools.
- To ensure that no child in the 6-14 age group is left out of school.
- To bring back all dropout children to school.
- To conduct the enrollment drive for one month, starting from the school reopening day.

Implementation:

The program will be carried out with the support of: ★ Welfare & Education Assistants, ★ Cluster Resource Mobile Teacher (CRMT) Inclusive Education Resource Persons (IERPs), ★ Anganwadi Workers (ICDS), ★ Part-time instructors under Samagra Shiksha

Expected Outcomes:

- Increased enrollment rates in government and aided schools.
- Reduced dropout rates through identification and re-enrollment of out-of-school children.
- Greater awareness among parents about the importance of education and available government schemes.
- Strengthened community participation in supporting children's education.

This initiative will help to achieve universal educational access and bridge learning gaps, ensuring that every child gets the opportunity to learn and grow.
